Experience

Joseph Woodmansee specializes in providing financial restructuring advisory services to creditors, companies and other parties-in-interest in financially distressed matters. Mr. Woodmansee's experience includes the due diligence of business plans, financial modeling for valuation and liquidity purposes, as well as litigation support, specifically related to fraudulent conveyance matters.

Prior to joining Capstone in May 2009, Mr. Woodmansee spent over four years at KPMG LLP providing audit and risk advisory services primarily to engineering and construction clients as well as buy-side financial due diligence for private equity clients in the real estate, environmental compliance, health care, power generation and hospitality industries.

Education and Affiliations

Mr. Woodmansee holds a B.S. in Finance and an M.S. in Accounting from the Leeds School of Business at the University of Colorado. He is a CFA charterholder, a Certified Public Accountant and a member of the American Institute of Certified Public Accountants.
