SUMMARY

Joseph Vizzini specializes in providing financial restructuring advisory services in distressed company situations to both creditors and debtors. His twelve plus years of advisory assignments have included business plan evaluation, cash flow and liquidity analysis, business acquisition, divestiture and liquidation strategies and analysis, debt and equity restructurings, DIP and exit financing analysis, bankruptcy planning and strategy, enterprise value analysis, credit agreement related negotiations, and bankruptcy estate wind-down implementation.

Mr. Vizzini's experience includes restructuring advisory services on cross-border matters in Canada, Europe and Mexico, litigation support services and transaction related due diligence for parties interested in making new investments.

Prior to joining Capstone in 2004, Mr. Vizzini spent five years at the Policano & Manzo legacy practice of FTI Consulting. Mr. Vizzini began his career at Coopers and Lybrand, LLP, where he spent four years in the New Jersey audit practice, and then worked for a regional public accounting firm for three years specializing in audit and tax.
