Experience

As a Managing Director, Mr. Chadwick has significant operating experience, including improving underperforming businesses and advising debtors and creditors in complex financial matters. He has served as chief executive officer, chief operating officer, chief financial officer, and advisor to companies in a variety of industries.

Mr. Chadwick currently serves as CFO to Verity Health Systems, a \$1.3 billion six acute care hospital system in California. Mr. Chadwick is also CFO of each hospital, the associated charitable foundations and the physician management group overseeing over 240 physicians.

Mr. Chadwick's healthcare experience includes acting as the advisor or an officer to healthcare providers, including leading hospital systems and long-term care providers through operational turnarounds and financial restructurings. Mr. Chadwick utilizes BRG's Healthcare Performance Improvement experts to improve revenue cycle management, reduce labor costs, improve physician productivity, and reduce supply chain costs. The improved liquidity and financial performance, in each instance, has funded the restructuring costs.

Prior to joining BRG, Mr. Chadwick was an Executive Director at Capstone Advisory Group, LLC, and prior to that, he was a restructuring advisor at FTI Consulting.
