SUMMARY

Mr. Abshier has over 30 years of banking and executive management experience in a variety of functions, including: management and regulatory consulting/advisory, expert testimony, chief credit officer, risk assessment manager, BSA/OFAC Officer, corporate compliance manager, senior federal bank examiner, financial and credit analyst, and branch operations officer.

PROFESSIONAL EXPERIENCE:

Berkeley Research Group, LLC
Los Angeles, CA
Managing Director

December 2010 to present

Provides expert, consulting and advisory services to financial institutions throughout the United States and overseas. Performs services related to corporate governance, enterprise-wide risk management, financial advisory, strategic planning, financial analysis, organizational assessments, director and management reviews, credit risk management, commercial and residential mortgage loan securitization (CMBS & RMBS), mortgage banking including loan origination & loan servicing, litigation support, Bank Secrecy Act/Anti Money Laundering, OFAC, "look-back" transaction reviews, consumer compliance laws and protections, general bank practices, enforcement actions and regulatory issues. Clients include large to small national and international financial institutions. Projects often include senior advisory and/or expert services focusing on risk management, safety and soundness, consumer compliance and protections such as ECOA, RESPA, TILA and UDAAP, and BSA/AML compliance and technology.

The Secura Group, LLC & Secura, an LECG Company
Los Angeles, CA
Principal

2001 – 2010

A consulting adviser for financial institutions on a wide variety of issues including litigation support, the process for establishing *de novo* banks, credit management process, including underwriting, servicing, loan securitization, risk management and loan loss reserves, Bank Secrecy Act/Anti Money Laundering/OFAC, management and organizational assessments and consumer compliance laws and protections. Provide consulting services involving corporate governance, enterprise-wide risk management, general bank practices, expert testimony, enforcement actions and regulatory issues.

Abshier & Associates
Fullerton, CA
Principal

1997 – 2001

Provided management consulting services to the banking, loan servicers and mortgage banking industries. Specific areas of expertise included: credit administration and loan review; strategic and business planning; litigation support and research; commercial, mortgage and subprime lending, mortgage banking, loan securitization and servicing; profitability and cost analysis; investor operations; project management; operational reviews; risk management evaluations; regulatory and compliance reviews; business continuity planning; and development and implementation of policies and procedures.

First Fidelity Thrift and Loan
Irvine, CA
Vice President and Chief Credit Officer

1996 – 1997

Chairman of the Loan, Internal Asset Review and Compliance/CRA Committees. Responsible for the credit approval, administration and review activities for the Company's loan portfolio. Specific responsibilities included: developing and implementing uniform credit review policies and standards; directing the activities of the loan underwriting manager; overseeing the loan funding and closing functions; and communicating to executive management and the board of directors any material considerations that affect the loan portfolio, compliance with consumer regulations/protections, credit practices or individual transactions. Specific contributions included:

- developing loan policies and procedures that resulted in the consistent implementation of credit standards on new loan originations
- developing and implementing desk instructions, job descriptions, and processing standards that enhanced operating efficiency, improved staff knowledge, and increased loan origination capacity
- significant reduction in consumer compliance exceptions
- increasing loan closings by 190 percent
- improving internal controls that reduced audit and quality control deficiencies by 79 percent

Vice President and Risk Assessment Manager

Reported to the Chairman of the Board. Responsible for managing and mitigating risks to the Company. Specific duties included managing the internal asset review function, internal audit manager, compliance officer, security officer, BSA/OFAC officer and CRA officer. Specific contributions included:

- overseeing the development and implementation of an internal credit review program for all loans greater than \$300,000
- establish policy and conducting audits that improved controls in the areas of consumer compliance/protections, BSA/AML and OFAC oversight of financial crimes and suspicious activity, lending, accounting and branch operations

Long Beach Financial Services
Orange, CA
Corporate Compliance Manager

1993 – 1996

Reported to the board of directors. Member of the senior management committees for internal asset review, asset/liability management, BSA/OFAC oversight of financial crimes and suspicious activity, out of state expansion, and information systems user priority. Responsible for overseeing the safety and soundness, and consumer compliance areas of the Bank. Specific contributions included:

- developing and implementing a comprehensive consumer compliance program and strategy plan that resulted in an upgrade in the Bank's examination rating in both consumer compliance and safety & soundness
- training of senior management in the following areas: the FDIC Improvement Act, accounting for loan and lease losses, internal asset review, interest rate risk, fair lending and fair credit reporting practices

Office of Thrift Supervision
Irvine, CA
Senior Bank Examiner - Certified Federal Thrift Regulator

1988 – 1993

Responsible for overseeing the standard examination process, which included: management of up to 15 assisting examiners; evaluation of a bank's financial performance, strategic planning and long term viability; identification and management of risks; the review and classification of assets; the evaluation of director and management performance and governance; and the final assessment and presentation of findings to the bank's board of directors. In addition, assisted management with suggestions for mitigating risks, improving controls and enhancing profitability. Specific contributions included:

- utilizing a business-oriented approach to the examination process with an understanding that every situation does not fall into a box of laws and regulations
- managing examinations for financial institutions ranging in size from \$30 million to \$4 billion

Union Bank
Los Angeles, CA
Financial and Credit Analyst

1986 – 1988

Developed branch profitability reports addressing monthly asset and liability performance. Presented profitability reports to executive management and made recommendations for allocating resources.

ROCKWELL INTERNATIONAL,
El Segundo, CA
Statistical Analyst

1985 – 1986

Responsible for cost control and reporting on the B-1B Program. Prepared and presented performance reports to the U. S. Air Force.

**SECURITY PACIFIC NATIONAL BANK,
Los Angeles, CA
Management Training & Branch Supervisor**

1983 – 1985

Completed the Bank's Management Training Program. Assisted in managing a full-service branch office, including branch transactions and the direct supervision of 15 staff members.

EDUCATION & PROFESSIONAL TRAINING

1983, BS, International Finance/Business Administration
University Of Southern California

1995, University of Southern California
Executive Management Development Program
Irvine, California

1992, Office of Thrift Supervision - Federal Banking School
