SUMMARY

Jennifer Mannino is a Managing Director in BRG's Transaction Advisory practice and expert in regulated industries. She specializes in intelligence gathering and investigative strategy overseeing integrity due diligence checks for alternative investment transactions. Ms. Mannino's procedures focus on identifying reputational risks, conflicts of interest, and unethical business practices affecting new investments and add-on acquisitions. Ms. Mannino audits organizational background check procedures and consults clients on methodologies to validate business relationships and beneficial ownership.

Prior to joining BRG, Ms. Mannino built in-house business units and external consultancy teams to support: integrity due diligence checks for private equity, pension funds, and REITs; third-party vendor and supplier risk for MNCs; enhanced due diligence compliance for middle market banks; fraud investigations for healthcare, pharmaceutical and insurance companies; complex class action litigation for oil and gas corporations and automobile manufacturers; and organized retail crime for luxury fashion, home improvement, and supermarket chains.
