

Please join us for lunch on:

Thurs., Sept. 27th. 11:00 am – 2:00 pm at the California Club

...as we discuss **Cyber security and a better governance model for enterprise risk.**

Cyber security has quickly become a top concern for executives who bear an ever increasing oversight responsibility for governance and enterprise risk.

Our panel discussion will examine the regulations and statutes that impact enterprise risk and what maturing models look like as organizations move towards better governance. Learn what your organization can do to improve information technology security by assessing risks and implementing better governance models.
