SUMMARY

Karine Oganessian is an Associate Director with Berkeley Research Group. Ms. Oganessian specializes in the analysis of complex accounting and financial issues in connection with forensic investigations and litigation matters. She has more than fifteen years' experience dealing with various types of litigation matters including breach of representations and warranties, white collar defense, and acquisition disputes. Ms. Oganessian has dealt with complex accounting and financial issues related to revenue recognition, adequacy of reserves, and compliance with generally accepted accounting principles and generally accepted auditing standards.

Ms. Oganessian is a Certified Public Accountant and a Certified Fraud Examiner. In addition, Ms. Oganessian holds the Certified in Financial Forensics (CFF) and Chartered Global Management Accountant (CGMA) designations from the American Institute of Certified Public Accountants.
