## SUMMARY

Peter Wrobel has more than 25 years of forensic accounting and business valuation experience. He has testified as an expert in both federal and state courts in cases involving business valuation, fraud, intellectual property, breach of contract, wrongful termination, and personal damage matters. He specializes in damage determination; fraud investigation; statistical, economic, and cost analysis; and mathematical modeling and database development. He has extensive experience in developing trial graphics and other exhibits.

Mr. Wrobel has taught classes at the University of Southern California Gould School of Law and at conferences organized by the American Institute of Certified Public Accountants (AICPA) and the California Society of CPAs.
