Experience

Joseph is a Director in BRG's Healthcare Transaction Advisory practice based in New York, NY. He has 13 years of accounting and finance experience including 9 years of experience providing buy-side and sell-side deal assistance to both private equity and strategic investors within the healthcare industry. During that time, Joseph has worked on over 100 transactions involving companies generating EBITDA ranging from \$1 million to \$100 million.

Specializing in the healthcare industry, Joseph's primary focus includes financial analysis (quality of earnings, quality of revenue, working capital and net debt analysis), technical accounting and industry research to assist clients through their transaction processes. Within the healthcare industry, his specific sector experience includes non-for-profit hospitals, skilled nursing and assisted living facilities, home health companies, urgent care centers, imaging centers, dialysis centers, pharmaceuticals and life sciences companies, healthcare software and IT companies, medical device manufacturers, behavioral health facilities, healthcare staffing companies, and revenue cycle management companies.

Prior to joining BRG, Joseph was part of a Big 4's healthcare transaction advisory services practice for 8 years and before that was part of a Big 4 healthcare audit practice.
