Experience

Ron Zaidman specializes in providing financial restructuring advisory services to companies and other parties-in-interest of both distressed and non-distressed situations.

His primary areas of concentration include business plan evaluation, strategic business planning, evaluating restructuring alternatives, cash management and forecasting, cost reduction, claims analysis, valuation, systems and management assessment, transaction analysis, and due diligence. His experience spans across a range of industries including retail, manufacturing, financial services, healthcare, and gaming.

Before joining BRG, Mr. Zaidman worked at Capstone Advisory Group, LLC. Previously, he was at the Policano & Manzo legacy practice of FTI Consulting and in the Corporate Restructuring division of Arthur Andersen LLP.

Education and Affiliations

Mr. Zaidman holds a Bachelor of Science degree in Accounting from Binghamton University. He is a Certified Public Accountant and a member of the American Institute of Certified Public Accountants.
