

# TRANSACTION ADVISORY

JOIN A FAST-GROWING TEAM

## WHAT TO EXPECT

Strong team driven by high-performing culture emphasizing meritocracy as well as coaching and development.

Fast-growing team that breaks traditional norms of career progression, compensation, and work/life balance.

Managers and partners put high level of investment in you to accelerate your technical and industry-specific expertise and learning curve.

Immediate exposure and interaction with deal team and decision makers (e.g., CEOs/CFOs, private equity clients, investment bankers).

Positive culture founded on accountability that goes in every direction of the org chart. We have built something different that focuses on fixing old pain points.
