

Register for BRG On Campus Insights

Learn about high-impact careers in consulting and how to make the best impression on recruiters and hiring managers through a program designed to promote longevity and connectivity. Past sessions have included virtual forums, resume reviews, networking sessions, and more.

Engaged, qualified participants will have access to enhanced networking opportunities and early consideration for BRG summer internships.

We welcome:

- undergraduate students and master's candidates
- graduates with or those studying for degrees in accounting, finance, data analytics, statistics, economics, public health, health administration, or related degrees
- those authorized to work in the United States
